Do you love food? **We Do!**

At Taste of Thailand, we love food, we love good stories and especially, we love Thailand! For us, food is one of the most intimate windows to culture, history and people, and one of the most authentic ways to explore a city.

Food tastes even better with a good story behind it!

We share with you the hidden culinary treasures in the sprawling metropolis of Bangkok and cities around Thailand. We don't like tourist traps. We dig real, local, time-tested recipes and cuisine. From street vendors to royal Thai cuisine, we only share authentic tastes and experiences – so you can enjoy, explore and eat in Thailand with confidence, or as we like to say, like a local.

**Come experience real food, real people and real community.
We guarantee to awaken your senses and tickle your tastebuds!**
